

Dear Patients:

Officials have notified us that it's safe to be open. We believe strongly in erring on the side of caution, so we have implemented the following safety measures for in-person visits.

#### Screening

- Temperature checks before brought back
- COVID-19 symptomatic patients will be rescheduled
- Past COVID-19 positive patients must show all clear notes before entering

#### Waiting Room

- Waiting room is spaced accordingly
- Roving staff disinfecting high-touch areas

#### In-Office

- Staggered appointments to limit volume & density
- Only patients & max 1 caregiver are allowed in
- Social distancing in-office whenever possible

#### Hygiene & Cleaning

- Common areas are cleaned routinely
- Treatment rooms & equipment cleaned before & after each use
- Roving staff disinfecting high-touch areas
- Staff using masks & Personal Protective Equipment (PPE)
- Patients & staff hand-sanitizing at entry, etc.

With the rapidly changing COVID-19 environment we wanted to take a moment to remind you of the various appointments dental/hygiene and because of the circumstances surrounding COVID-19, we understand if you do not feel comfortable coming to your appointment yet. If you could please call us 2-3 days ahead of your scheduled time and we will be happy to reschedule you at a later date. As we are still trying to reschedule patients cancelled during the closure.

Be well & please let us know if we can offer any additional information,
